

PRECIOUS PRESCHOOL NEWS

February 2009 Issue

We are very excited to start our own school newsletter! This is a great way to keep our wonderful families informed of our school activities and important dates.

I would like to thank you all for referring so many new families to our school. Your caring and support help make Precious such a great place to learn.

Sincerely,

Mrs. Wendy Flynn

Discoverers - Valentines and Five Senses
Explorers - Valentines and Up in the Air
Graduates - Valentines, Presidents and Safari

WHAT FUN WE HAD!

We can't forget to tell you all about the fun we had at our Teddy Bear Picnic! The children brought their favorite teddy or stuffed friend to share during circle time and snacked on teddy bread and honey, plus went on a Bear hunt.

We had our very first Super Bowl Party and WOW did we have fun! Footballs, jerseys and sports wear filled our rooms. The children made their own trail mix, played flag football and other fun games. What a great day!

NOTES FROM THE OFFICE

Please remember to call the office when your child is ill; contagious illnesses must be reported to other parents.

Your full signature is required by licensing at drop off and pick up.

Your patience at pick up is appreciated. We need to assist families that drive first to avoid back up on Redmond Avenue. We thank you for keeping Mancuso Street clear.
