

PRECIOUS PRESCHOOL NEWS

May/June 2009 Issue

Dear Parents,

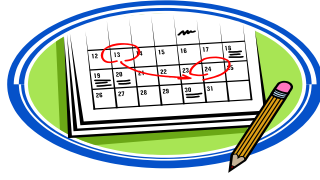

I can't believe that I'm preparing the last newsletter for the year when we have so many more days of fun ahead. Dads get ready for a day of great surprises on Game Day with Daddy; it's a day for the memory books. If Daddy isn't available, uncles, friends, grandfathers etc. are welcome as well.

To all our parents my thanks for supporting our fundraisers, parties and everything throughout the year. I applaud your enthusiasm for sharing in a year that all of us at Precious Preschool will remember with a smile. You are appreciated more than you know.

The teachers of Precious have lovingly provided not only care and supervision for the children, but a curriculum that promoted their growth and development with a fun and challenging approach. My thanks to all of you for continuing to enrich our students with a quality program.

The children have grown so much and we're confident they will continue to excel. We have shared many great moments this school year and will look back on them and wonder how our Precious friends are doing; so please take time to visit and say hello.

**Gratefully yours,
Mrs. Flynn, Director**

DATES TO REMEMBER

May	21-22	Progress reports come home
May	25	Memorial Day-School Closed
May	28-29	Game Day with Daddy
June	4 & 5	Breakfast with my teacher
June	8 & 9	End of the year ceremonies
June	10	Pre-K Graduation

Father's Day, Graduation

Letters: Q, X, Y
Time/Money
Rhyming
Magnets
Computers

Numbers: 40-50
Review: 1-50
Intro to Homework

Patterning

Mrs. Yeh, Bryce and Laura's mom talked with the children about her job as a doctor. The children listened to their heart through a stethoscope and learned ways to keep themselves healthy and strong.

Mr. Michaels visited and kindly opened the doors to his school bus so the children could step inside, take a seat and learn the important rules about how to ride in a school bus. The bus just stayed in our parking lot but we still had a great time!

We also had another visitor last month and that was Waste Management. The children always run to watch as our trash is picked up each week so this was such a special treat for them. Our visitors showed the children how the truck picks up our large dumpster, how the back wheels of the truck go up and down and why, and so much more. It was a perfect day.

We thank everyone for their time.

I was thrilled to hear such positive feedback regarding our first "Tour de Precious!" Unfortunately I couldn't be here to enjoy it with all of you but I am so happy everyone had such fun washing bikes and just enjoying riding with their friends around our school. A tremendous amount of thanks to all parents and staff for working together to make it such a big hit!

Clement summer classes are filling up, so if you're interested please contact the office at 265-2226. We hope that you will join us as we Explore Our World Outdoors.

If you are near the Almaden library please take a moment to visit the community room where you will find art work from some of our Precious students. The staff kindly displayed our work during the month of the young child.

Our end of the year program invitations include extended family members; we look forward to sharing this special time with everyone.

Your final tuition payment is due May 5th.

Fall tuition balances are due August 3rd. along with any paperwork not yet handed in. We'd love to welcome new students to Precious, so please let your friends and family members know we have space available.

Information regarding the beginning of our Fall session will come home to you so you can mark your calendars very soon.

Enjoy a safe and happy summer with your family and friends.
