## December 2009 News

Dear Parents,

Holiday decorations and all the fun and excitement of December have arrived. On behalf of our entire staff I would like to send wishes to everyone for a holiday season filled with many happy moments with family and friends. Happy Holidays!!!!

Mrs. Flynn  
Director

**\*\*\*Please note that our registration dates have changed and are now earlier in the month of January. The dates in our handbook are incorrect!\*\*\***

### **FYI**

There will be no sharing in December since we'll be extra busy getting prepared for our holiday program. All art projects will be saved to decorate our class room so folders will not come home.

### **HOLIDAY PROGRAMS**

The children are preparing a morning of holiday magic for you. Extended family members are welcome to share in all the fun!

It is a perfect opportunity for photos or videos to look back on and

enjoy. Children need to be at school promptly at 8:30 am and we encourage parents to arrive before 9:00 am since seating is limited.

Of course we will have a very special visitor and refreshments following the program. You are free to begin your holiday break after visiting Santa and enjoying a snack.

### **LUNCH BOX BUDDIES/ENRICHMENT**

We've been having a grand time exploring together and would love to share the fun with more friends. A wait list has been started for another class on Mondays and we're eager to get started. Please call the office if you're interested.

### **CLASS AVAILABILITY**

We have space available in our Tuesday/Thursday classes, so tell your friends to stop by for a tour which can be by appointment or on a drop in basis. Our office phone number is 268-9000.

### **THANK YOU**

Our Thanksgiving feasts were quite delicious and very festive; our thanks to all of you for making it extra special!!

Your on going support is sincerely appreciated and we are all looking forward to an outstanding new year ahead!
