

# PRECIOUS PRESCHOOL NEWS

## MARCH 2010 Issue

Dear Parents,

March has arrived but Mother Nature is holding on to winter providing us with an abundance of rain. We've enjoyed some outdoor activity whenever possible however, when the clouds disappear we'll all jump for joy!! The months ahead are filled with a variety of activities and some very special events; stay tuned.

I continue to accept applications for fall classes which are filling quickly. I would like to express my appreciation to our families for recommending Precious Preschool to friends and neighbors. Your positive words about our programs are greatly appreciated.

Happy St. Patrick's Day,

Mrs. Wendy Flynn

## NOTES FROM THE OFFICE

Our Valentine's Day celebrations were sensational! The time you spent to make the day special for the children is very much appreciated.

Our staff is anxious to share your child's progress with you on conference day. If your schedule conflicts with the time assigned to you please call the office to reschedule a more convenient time. **Classes will not be in session and child care will not be available.**

Mrs. Rodriguez and her Lunch Box Buddies have created a cookbook together. The preparation of the cookbook opened the door to math and writing practice activities plus provided recipes for the children to share with the family. The fun will continue this month so don't forget to check our April newsletter for the details.
